

# Henderson Plaza

**Location**

Las Vegas, NV

**Date**

2006

**Architect**

Graham Downes Architecture and HCA

**Project Type**

Corporate Buildings

**North American Headquarters**

North America  
GKDMETALFABRICS  
825 Chesapeake Drive  
Cambridge MD 21613  
Direct: 410.901.8428 or  
410.901.8429  
metalfabrics@gkdusa.com

Intense heat and glare are mitigated effectively and aesthetically with sunshading metal fabric canopies. Because the fabric provides natural ventilation, heat is not trapped under this framed ceiling. Outside activities take place in this protected area at Henderson Plaza.

**Applications**

Solar Mesh

Metal Mesh Ceiling Panels

**Metal Fabrics**

Omega 1500

**System Components**

Flats with clevis
