Received the Award of Excellence for New Parking Structures by the Florida Parking Association. The Pennsylvania Avenue Parking Garage is part of a campus that includes a new home for the New World Symphony America's Orchestral Academy. The energy-efficient structure prominently features GKD's Helix 12 woven metal fabric as the exterior façade element, LED lights, maximizes natural lighting and ventilation, offers safety and security, and can withstand hurricane force winds.

Case Study

Applications

Metal Mesh Parking Facades Helix 12

Custom-Woven Metal Fabric Facades

Safety and Security

Metal Fabrics

System Components

WIB - eyebolts top and bottom
