

# Sony Center

**Location**

Berlin, Germany

**Project Type**

Corporate Buildings

**Architect**

Murphy & Jahn

**North American Headquarters**

North America  
GKDMETALFABRICS  
825 Chesapeake Drive  
Cambridge MD 21613  
Direct: 410.901.8428 or  
410.901.8429  
metalfabrics@gkdusa.com

The entire Sony Center is encapsulated in Escale 7 x 1, which was custom made for this project. The large cross rods, which are "ladder looped" to the next cross rods in succession, allow eyebolts to be connected directly to the rods in the attachment procedure.

**Applications**

Metal Mesh Wall Coverings  
Transparent Metal Mesh Facades

**Metal Fabrics**

Escale 7 x 1

**System Components**

Eyebolt
