## North American Headquarters

North America  
GKDMETALFABRICS  
825 Chesapeake Drive  
Cambridge MD 21613  
Direct: 410.901.8428 or  
410.901.8429  
metalfabrics@gkdusa.com

A shimmering metallic façade allows an uninterrupted view of Barcelona from the inside of the building while covering the supporting structures of the Torre Europa. As a form of protection against the sun, the woven membrane ensures a pleasant climate within the rooms inside during the hot Catalanian summer.

## Applications

Solar Mesh

Transparent Metal Mesh Facades

## Metal Fabrics

Omega Divergence
