**Weaves:** Tigris

**Attachment:** Roller Shutters

**Architect:** Islington Council

**Application:** Safety and Security

**Subsection:** Steelweave

**Location:** London, UK

**Market Segment:** Municipal

## DESCRIPTION

Islington Council sought an architectural solution to secure the municipal center, home to London's historic Caledonian Clock. This was achieved using GKD custom roller shutters in Tigris weave that provide durability, security during closed hours and a look that matched the surrounding environment.
