metalfabrics@gkdusa.com

Weaves: Escale 7×1
Attachment: Flats with Clevis
Architect: Dominique Perrault Architecture
Application: Facades, Solar Control
Location: Albi, France
Market Segment: Cultural

DESCRIPTION

A shell of golden anodized metal mesh envelops the streamlined geometry of the Grand Theatre Des Cordeliers. A signature design by Dominique Perrault, the Escale spiral mesh is semi-transparent during the day, but grants a view into the theatre when backlit at night.
