

North American Headquarters
GKD Metal Fabrics
825 Chesapeake Drive
Cambridge, MD 21613
Direct: 410.901.8428 or
410.901.8429
metalfabrics@gkd-group.com

Weaves: Tigris

Attachment: Flats with Clevis

Architect: Strohecker Architekten

Application: Communication, Solar Control

Location: Graz-Raaba, Germany

Market Segment: Corporate

DESCRIPTION

The highlight of this building is the inclined front side which is encased in nine mesh panels protecting the building from direct sunlight. The metal mesh allows daylight to enter the building interior while granting unhindered views to the outside. The bank's logo superimposed on the fabric is visible even at great distances.
