Weaves: Escale 7×1

Attachment: Eyebolts

Architect: Murphy & Jahn Architects

Application: Facades

Location: Berlin, Germany

Market Segment: Corporate

DESCRIPTION

GKD metal fabric was used extensively throughout this vast entertainment complex. Escale mesh was chosen for the large-scale facades to create a high level of reflectivity from the outside and clear views from the inside. Ocean metal mesh embellishes the interior architecture from the lobby to the elevator banks.
