

THE GOLDEN BOX PRIVATE RESIDENCE

North American Headquarters
GKD Metal Fabrics
825 Chesapeake Drive
Cambridge, MD 21613
Direct: 410.901.8428 or
410.901.8429
metalfabrics@gkdusa.com

Weaves: Omega 226

Attachment: Flat & Angle Frame

Architect: K2LD

Application: Facades, Solar Control

Location: Singapore

Market Segment: Multifamily

DESCRIPTION

K2LD gave this two-story private residence a glowing "shell" by encasing it in aluminum mesh from GKD. The semi-transparent material installed in front of the structure's glass facade, maintains unrestricted views from the inside while providing privacy from the outside looking in.
