**Weaves:** Omega 1520, Omega 1510

**Architect:** Avci Architects

**Application:** Facades, Solar Control

**Location:** Ankara, Turkey

**Market Segment:** Corporate

## DESCRIPTION

Architects seeking LEED platinum certification had to tackle the problem of harnessing solar power in an aesthetically pleasing presentation. GKD Omega weaves were installed to cover 75% of the exterior, providing significant sun protection and contributing to the building's sustainable design concept.
