Weaves: Sambesi PC, Sambesi

Attachment: Flats with Clevis

Architect: Baurconsult Architects

Application: Facades, Solar Control

Location: Schweinfurt, Germany

Market Segment: Municipal

DESCRIPTION

In the process of remodeling an old production hall, the architects at Baurconsult chose to clad the entire complex in Sambesi metallic mesh from GKD. The semi-transparent façade underlines the character of the exhibition serving as both cladding and stable perimeter fencing for the premises.
